Coenzyme Q-10 With Bioperene®

Description: Coenzyme Q-10, also known as ubiquinone, is an enzyme vital to energy production in the cells of the body. Coenzyme Q-10 supplements have been found to be an effective antioxidant. It is being researched for its health benefits on the cardiovascular system, endocrine system, and the teeth and gums. Coenzyme Q-10 With Bioperene® contains an extract of black pepper (Piper nigrum fruit).

These statements have not been evaluated by the Food and Drug Administration (FDA). This product is not intended to diagnose, treat, cure or prevent any disease.

Directions For Use: Take 1 capsule per day.

Storage: Keep tightly closed in a cool, dry place.

Caution/Warning: As with any supplement, herb or medication, do not use it while pregnant or lactating, or provide it to a child without consulting a physician.

Note: This product is regulated by the FDA as a dietary supplement. If you have any questions about how you feel while taking this supplement, contact your physician. If you are taking any medication, have any disease or illness, consult your physician before taking this product. Do not stop or change prescribed medication without the permission or prescription of your physician.

Bioperene® is a registered trademark of Sabinsa Corporation.
